

High/Low: full-panel predictions | 1/9

Full-data fit; not held-out validation. The 365 panel predictions are not 365 new experiments.

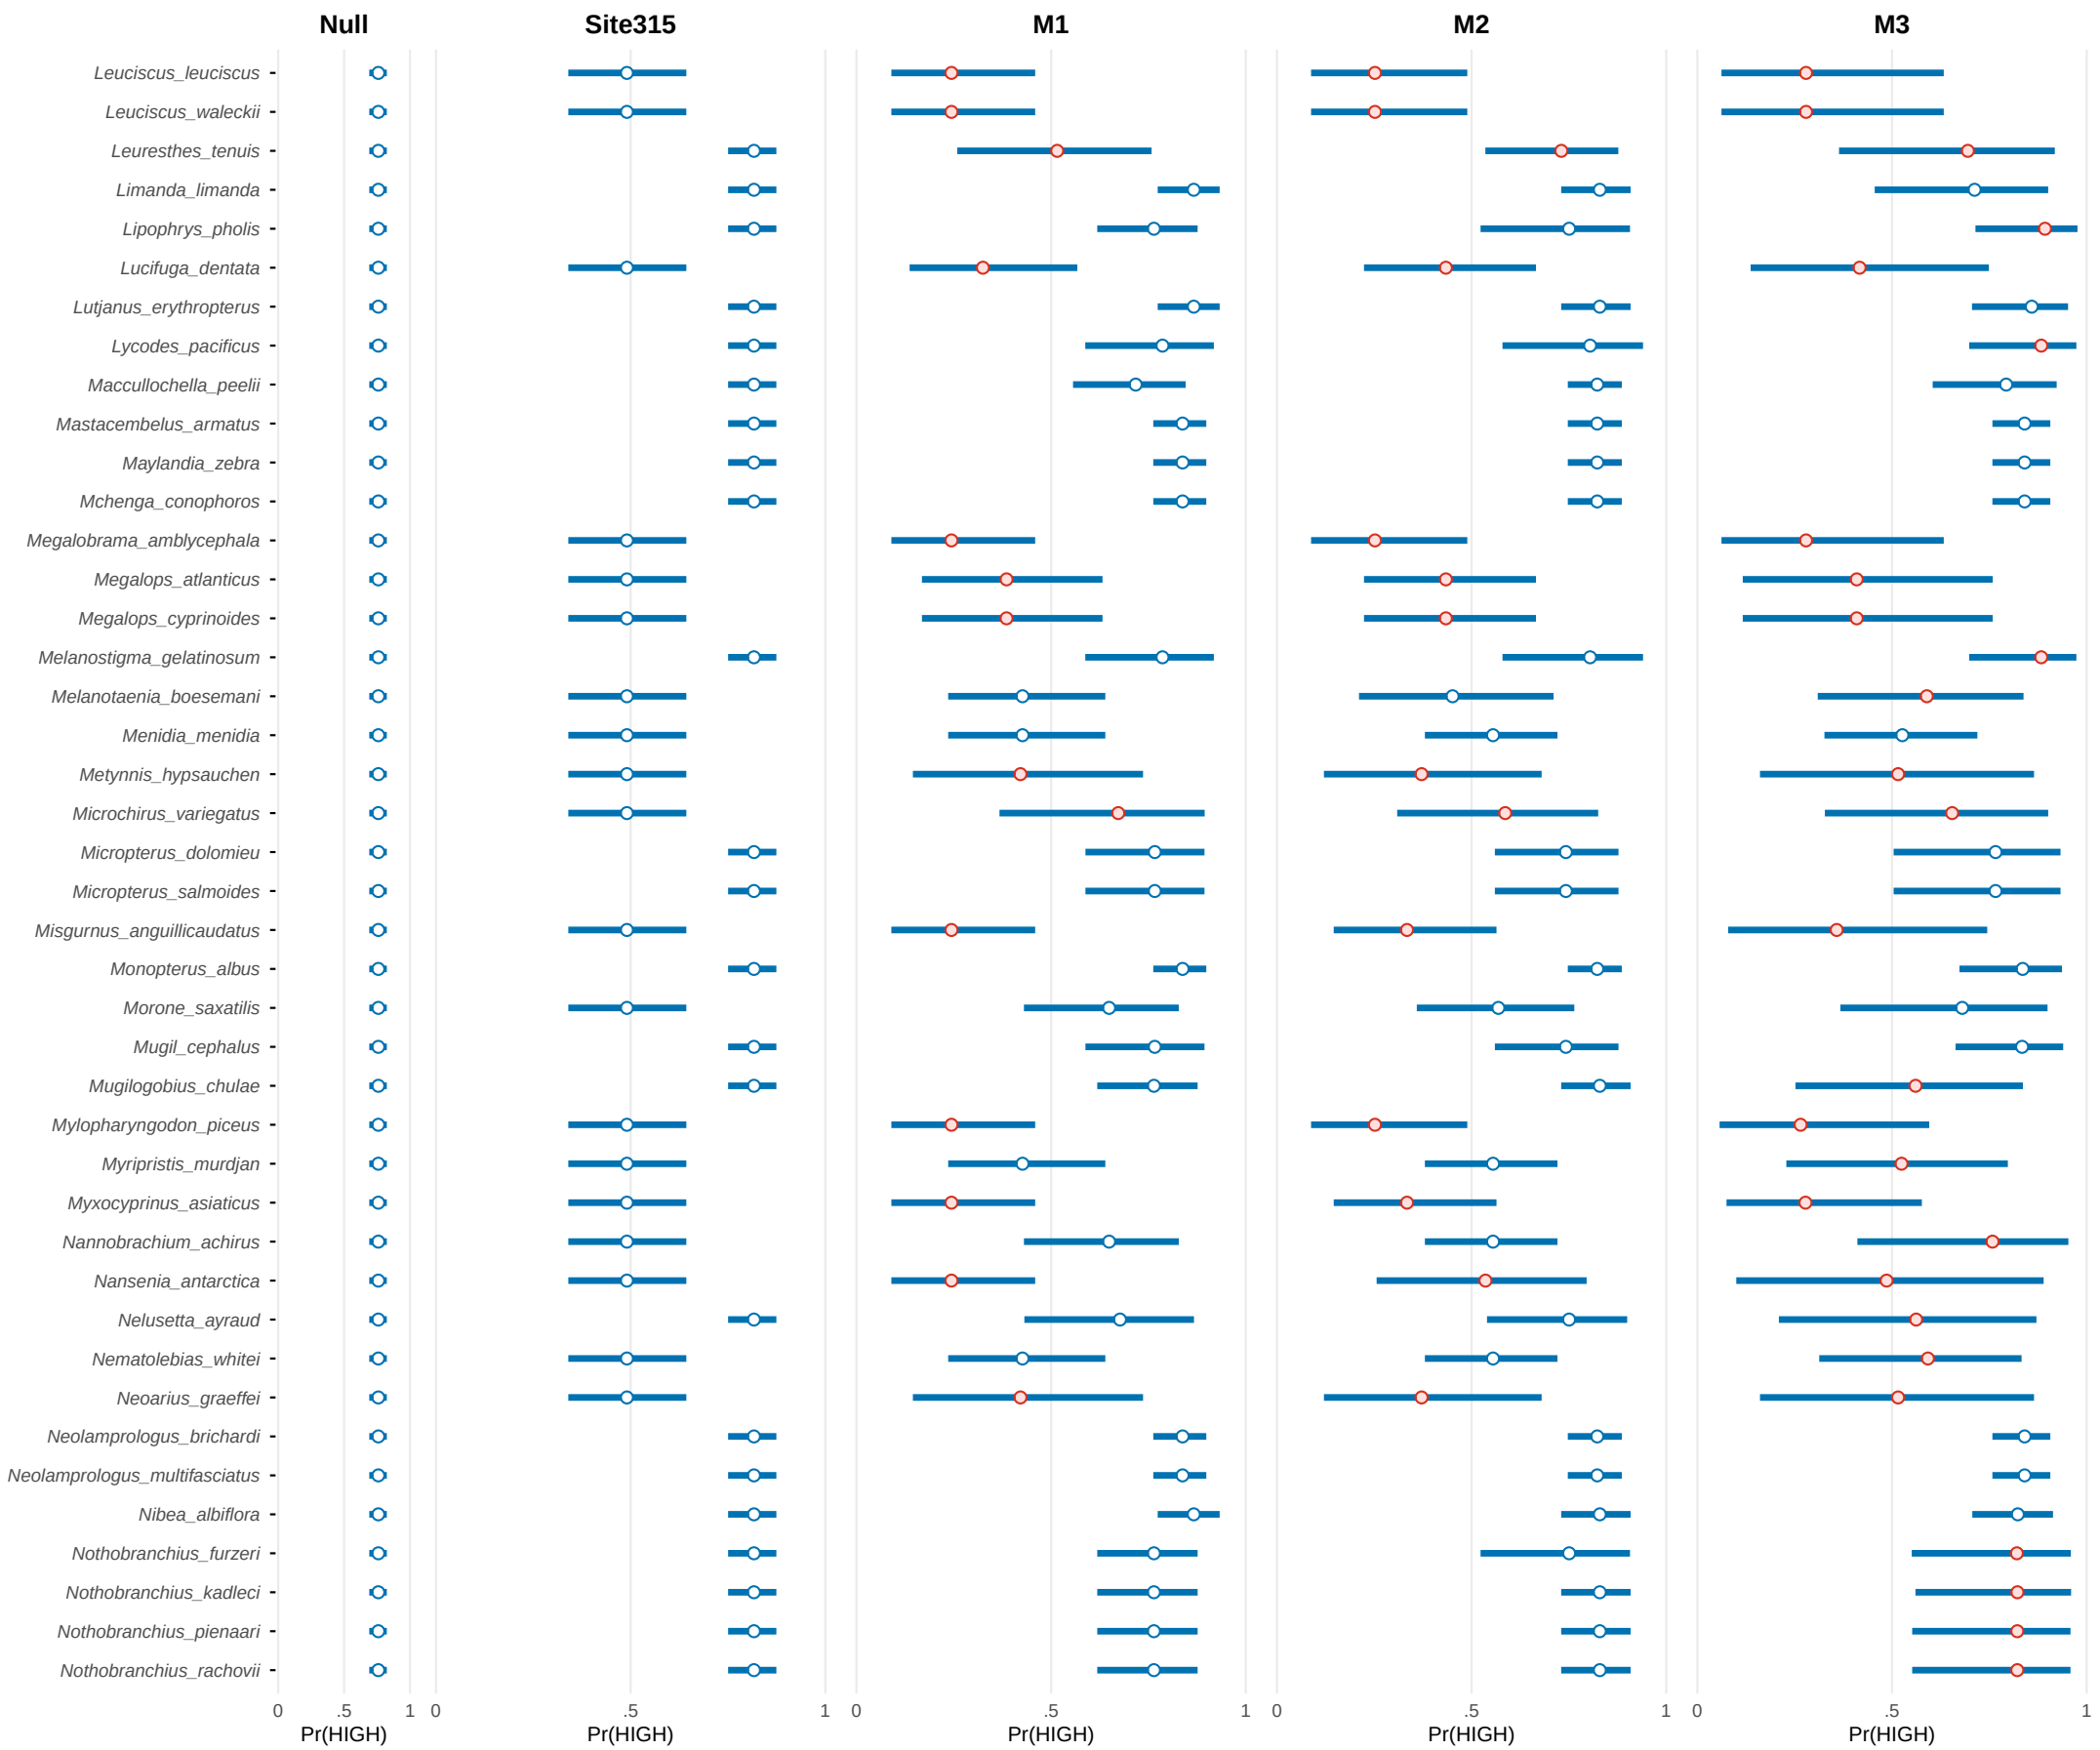

Point: Pr(High); blue line: 95% posterior CrI. Open/red points mark extrapolation or missing input.

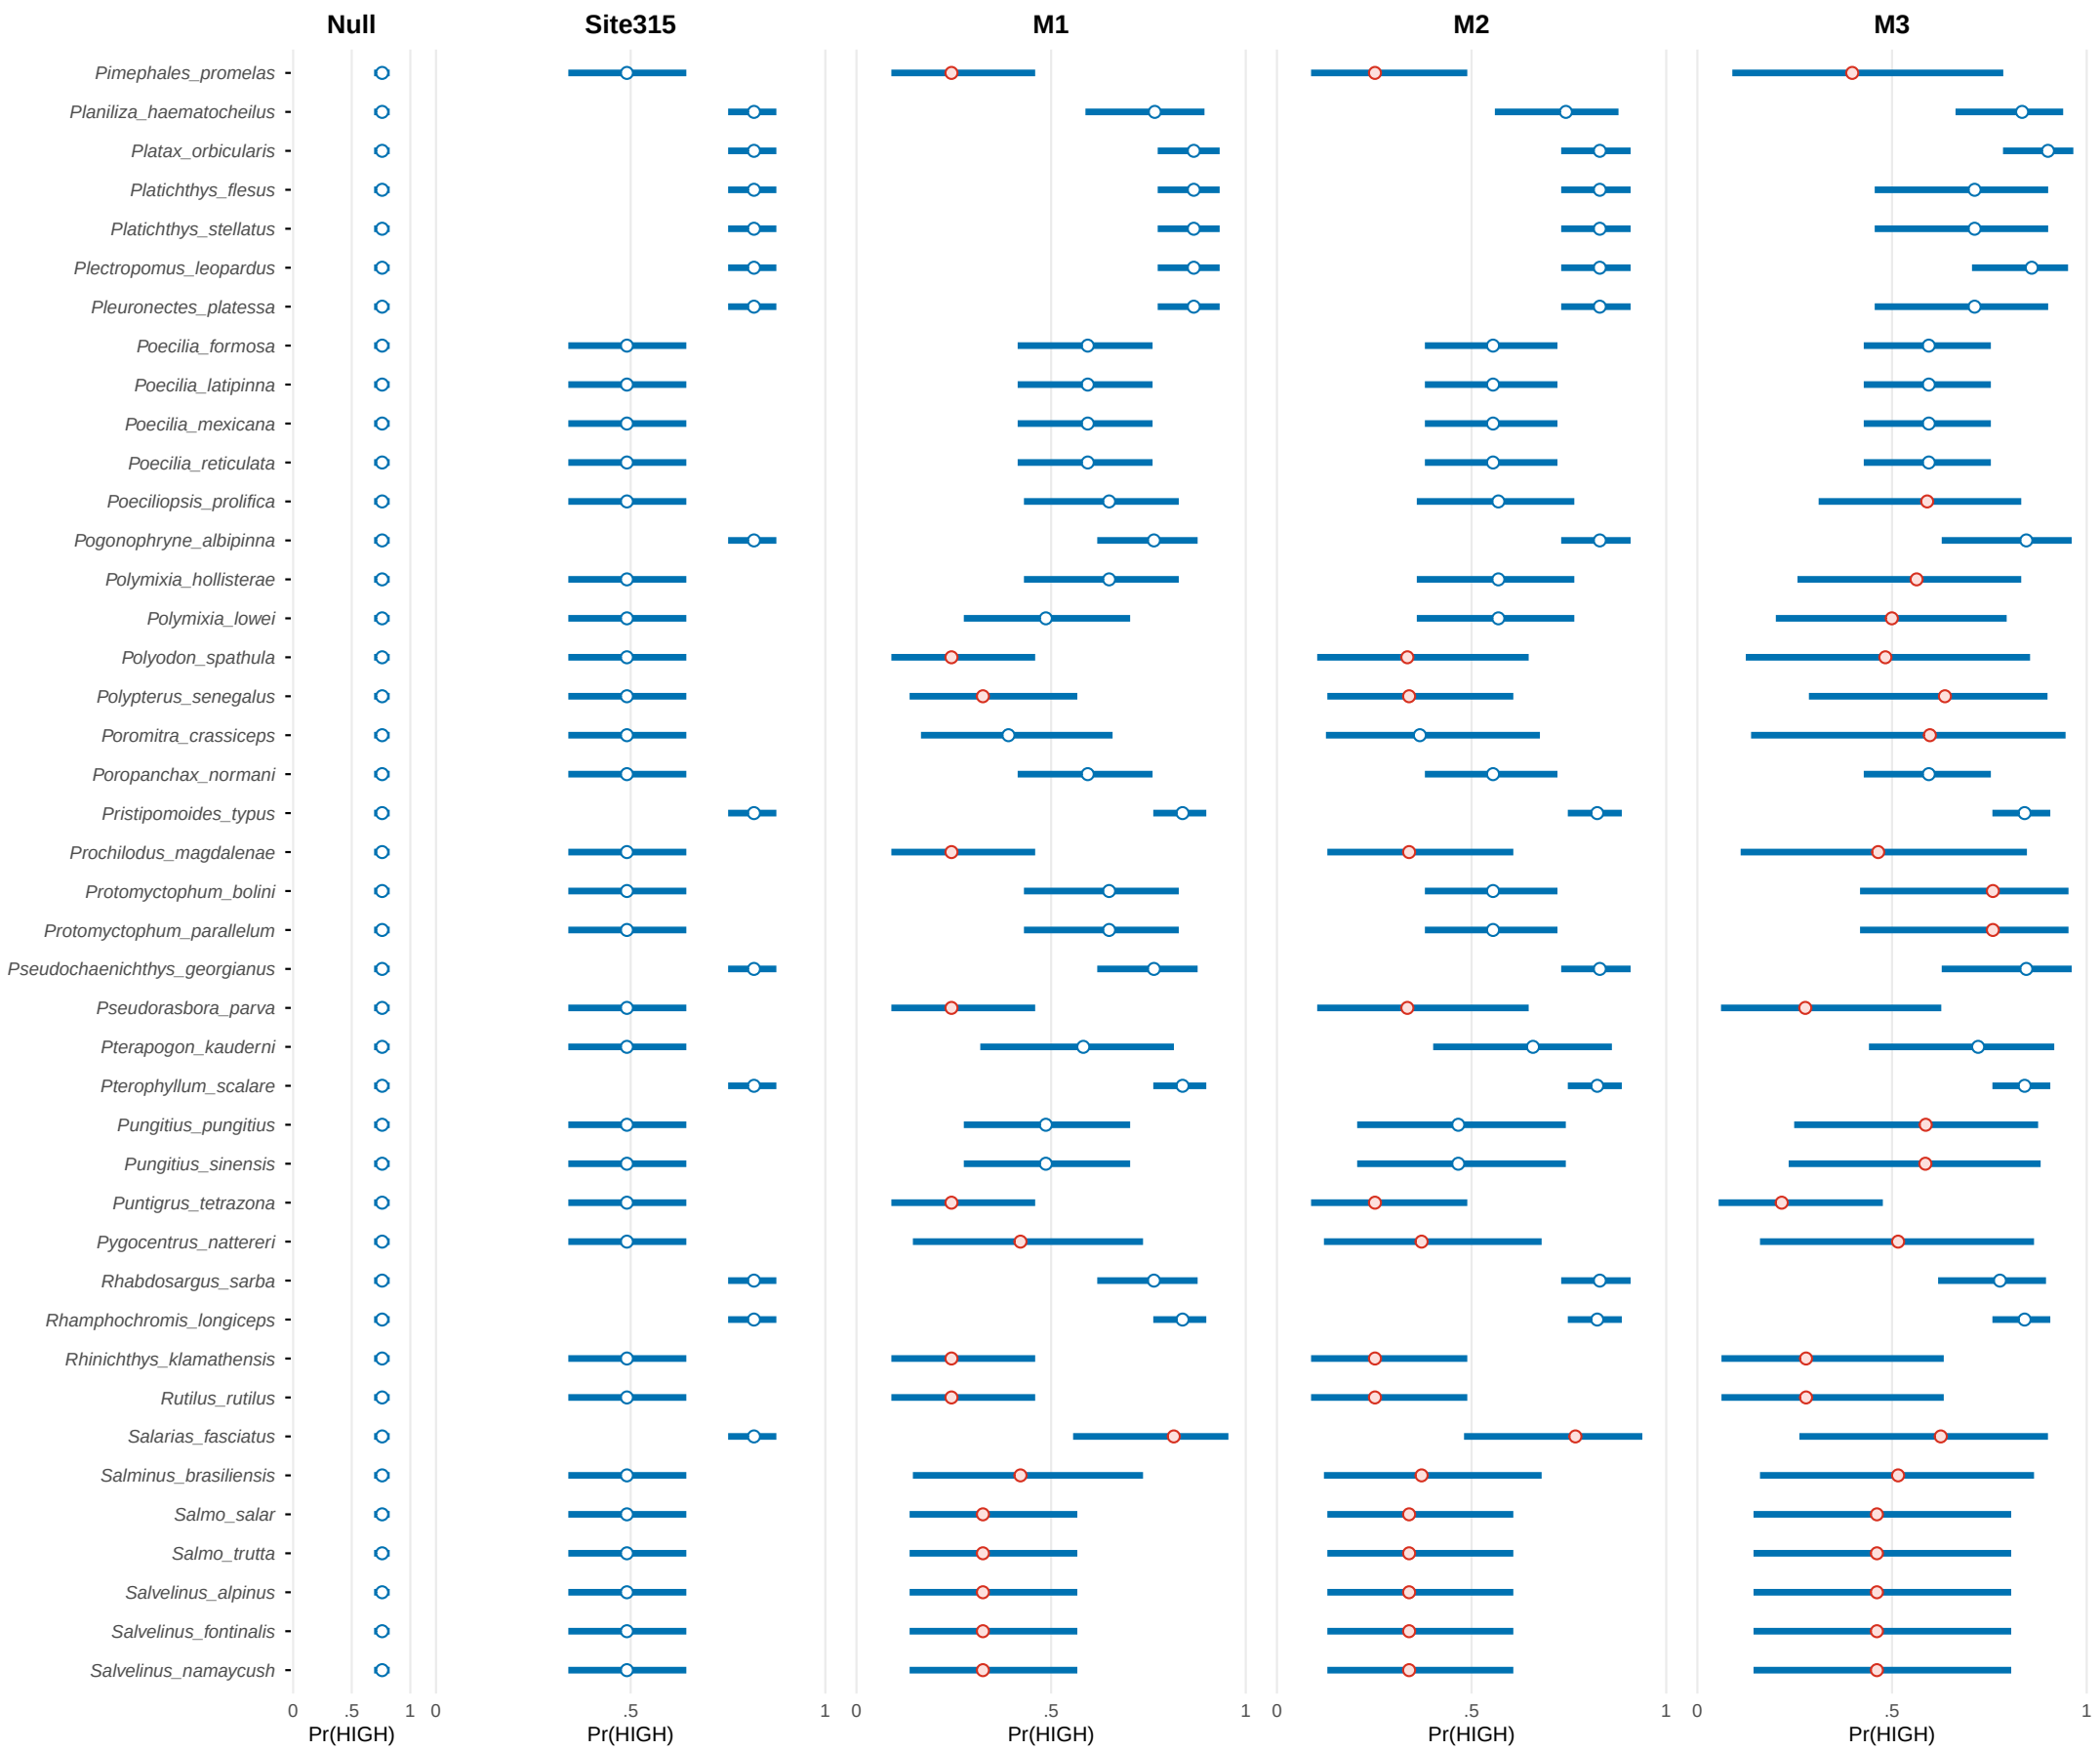

Point: Pr(High); blue line: 95% posterior CrI. Open/red points mark extrapolation or missing input.

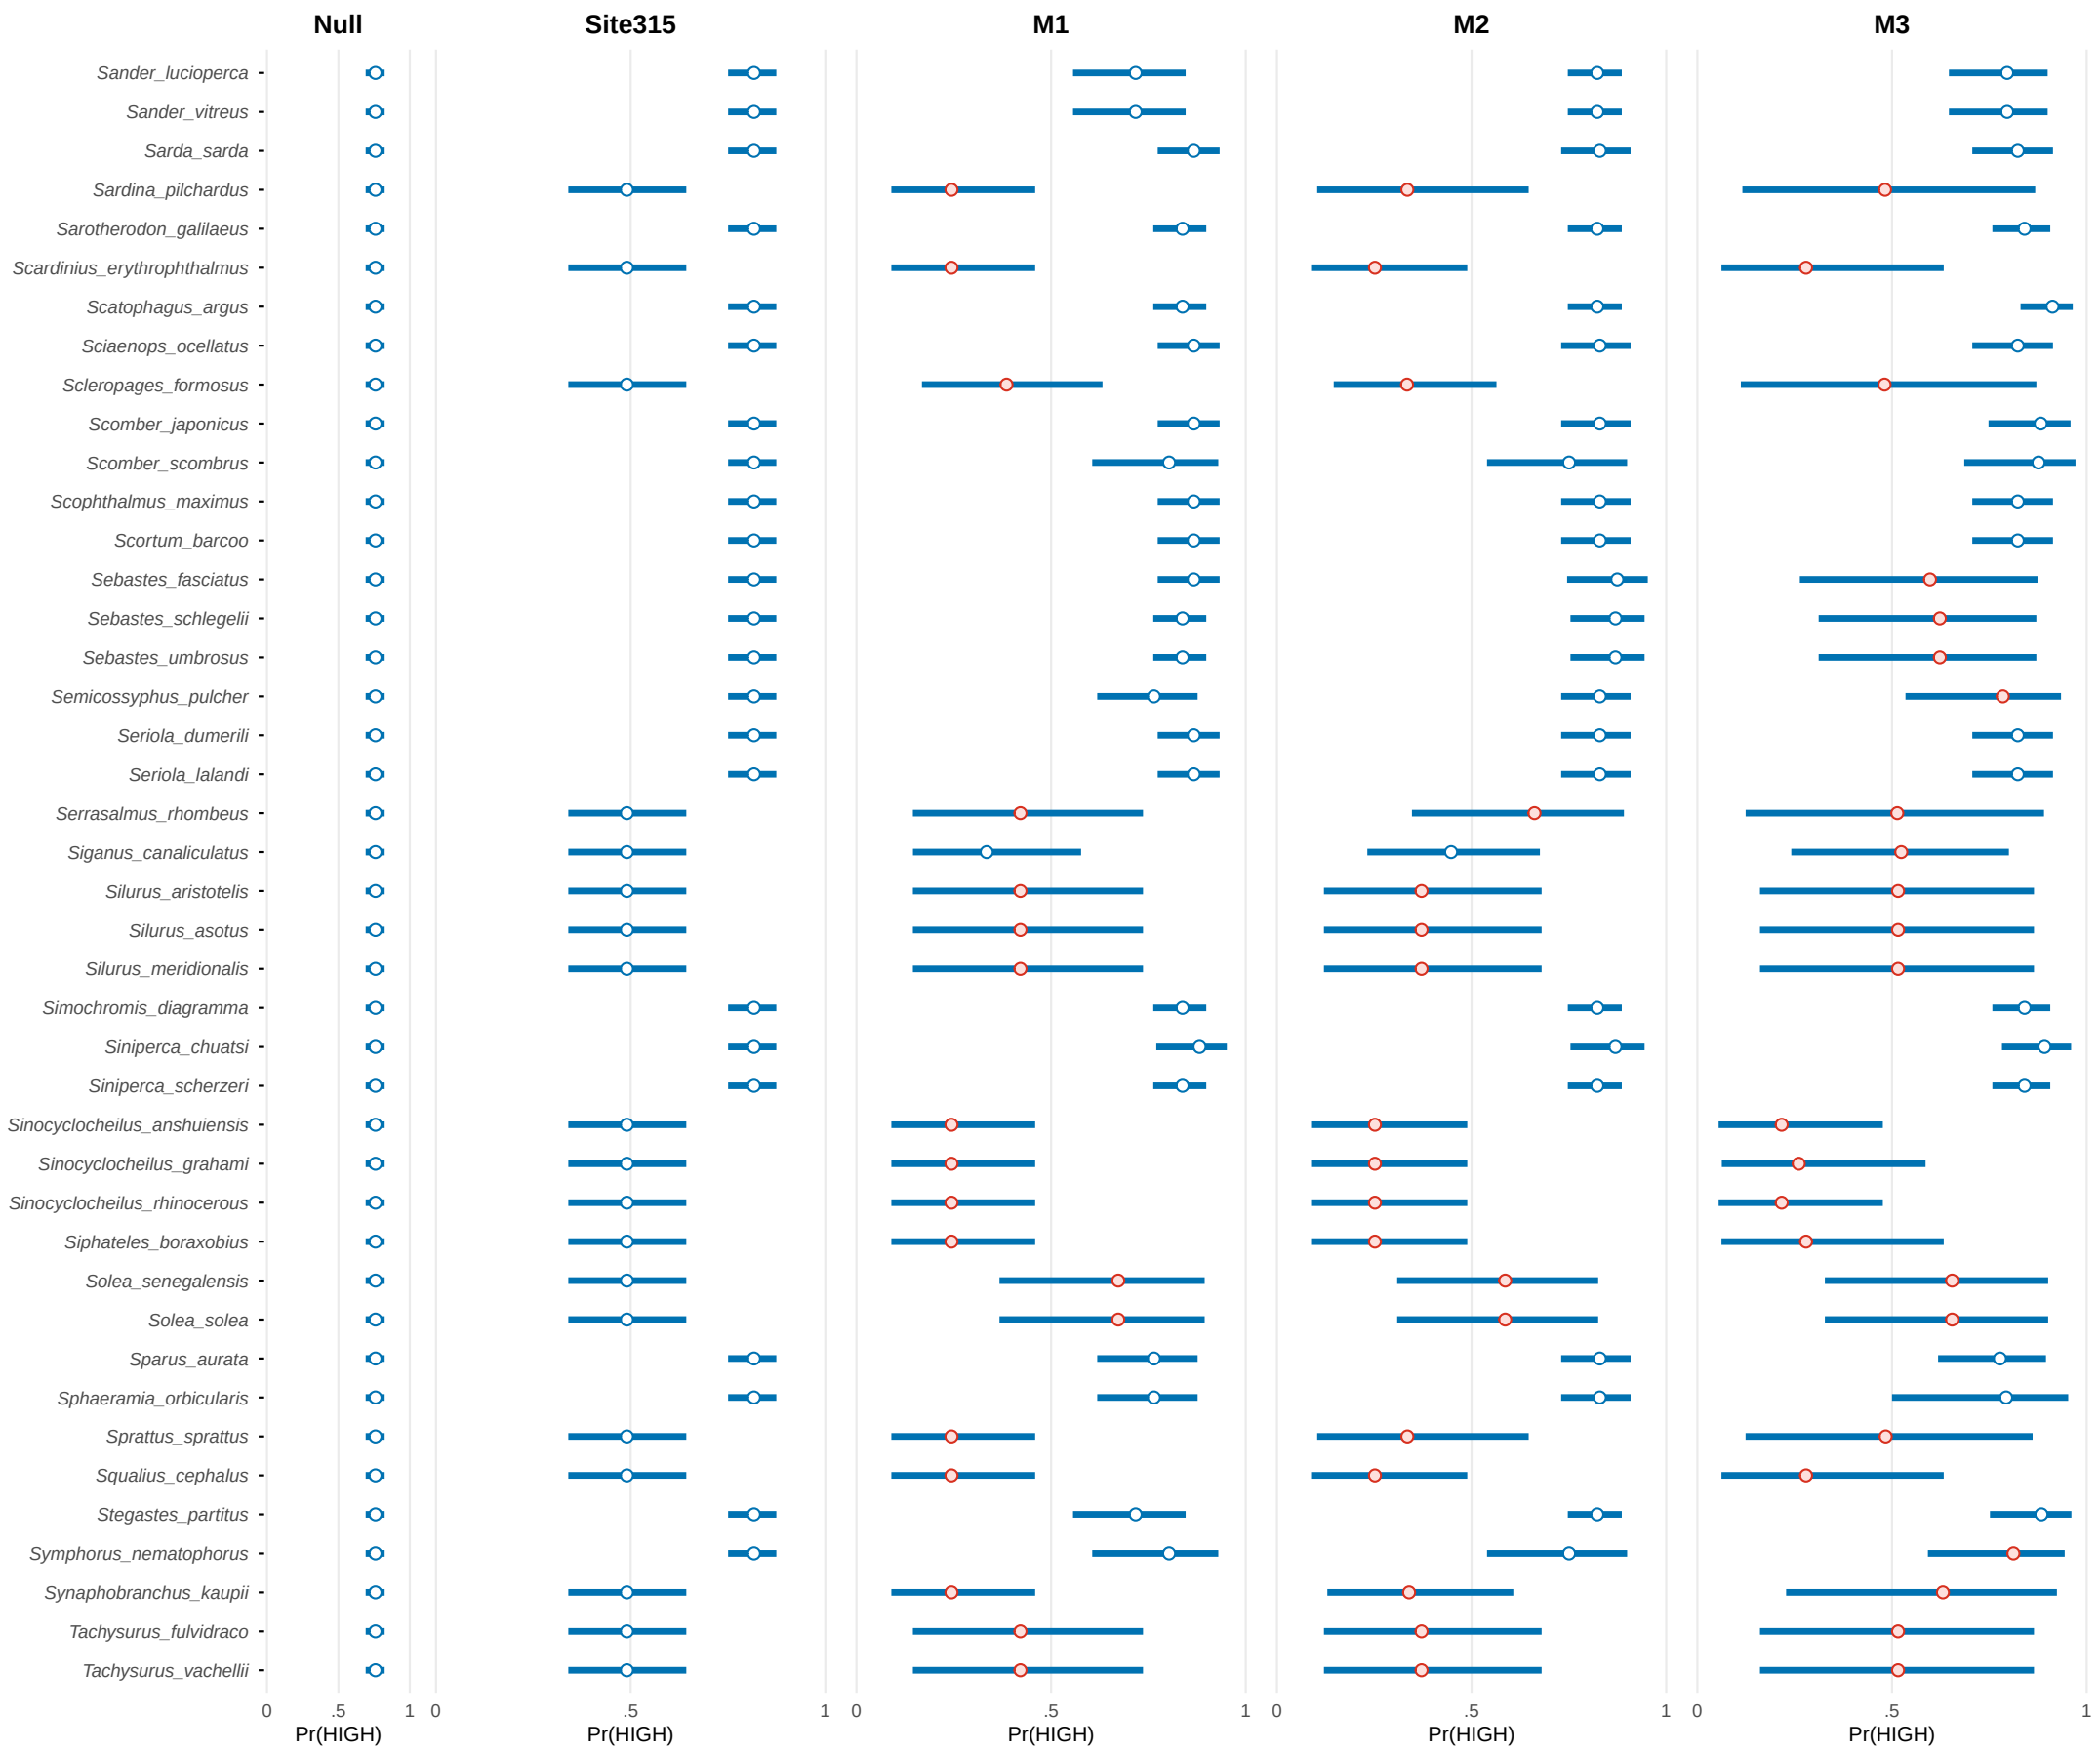

Point: Pr(High); blue line: 95% posterior CrI. Open/red points mark extrapolation or missing input.

Point: Pr(High); blue line: 95% posterior CrI. Open/red points mark extrapolation or missing input.

Point: Pr(High); blue line: 95% posterior CrI. Open/red points mark extrapolation or missing input.
